1. Listen to the group leader and respect what they have to say, they have the best interests of the group in mind.
2. Arrive in plenty of time to allow a warm-up and preparation. Training sessions begin at 6.30pm and this time should be adhered to as closely as possible to ensure all runners return at a similar time.
3. If you wish to change the route, modify a route or cut a route short, let a group leader/club captain/vice-captain know. This helps when accounting for all runners at the end of a session.
4. Respect pedestrians and other road users. Give way to others when necessary, we do not have right of way over other users.
5. Always wear suitable clothing and proper running shoes. Whilst running on dark evenings wear light-coloured, high-visibility clothing, in line with club requirements. This is usually for evening training runs between October 1st and April 1st.
6. Do not run too far off the front of a group and always regroup at regular intervals or when requested by the group leader.
7. Be honest about your ability. If the group that you are in is too fast or too slow then consider changing groups at the next session. Bear in mind returning from illness or injury or prolonged periods of inactivity may affect your ability for the first few runs back.
8. Respect private land, close gates after passing through them and run in single file along footpaths.
9. When crossing roads, observe the Highway Code and maintain high standards of safety at all times.
10. Do not use inappropriate or offensive language whilst running with the club.
11. Treat others with the same respect and fairness that you wish to receive. Respect the rights, dignity and worth of all participants regardless of age, ability, ethnicity, culture, religion or gender. Act with dignity at all times.
12. Inform the group leader if you have any injury or illness that may affect your running.
13. Look after the other runners within your training group, if someone is struggling make sure that they are not left on their own.
14. Warn other runners around you of impending hazards, pedestrians etc.
15. Ensure that you let your group leader know if you intend to switch groups during a run.
16. When representing the Running Club, official and up-to-date Club Vests MUST be worn when running.
17. Uphold and respect the running club's ethos and image at all times including training, competitions and social settings.
18. Check race rules and ensure that you follow these wherever possible e.g. no queue jumping on cross-country races when waiting for streams, stiles etc.

19. All club affiliation/race fees must be paid and kept up-to-date. Any concerns or problems relating to this should be discussed with a member of the committee.
20. All Monday, Wednesday and Friday training routes are planned in advance, runners may wish to view these via the club website to prepare for the training session.
21. Any concerns or issues should be reported to a member of the committee or Club Welfare Officer. Failure to adhere to these rules may result in a formal written warning, or in extreme circumstances and as decided by the committee, immediate termination of club membership with no refund of any fees.

1B CODE OF CONDUCT FOR ONLINE MEMBERSHIP/SOCIAL MEDIA

1. All members will have access to the club's online, social media sites. This includes the website and Facebook page.
2. Members must not share login details or passwords with other users.
3. Only affiliated club, social or 'internet' members will have access to the Facebook page. Other runners/friends of runners should not be invited or allowed access to these facilities.
4. Offensive, racist, sexist or otherwise inappropriate content will be removed at the discretion of the Media Administrator and could result in a formal warning being issued. The club recognises that banter is subjective, however, if banter is perceived as being offensive by a member(s) it will be addressed.

Any member not wishing to have photographs taken or shared must inform the committee in writing. All/any photographs can be removed on request.
8. Any posts for the Birstall website should be given to the Media Secretary (a member of the committee).
9. Any inappropriate communication (including but not exclusively e-mail, text/picture message, social media or otherwise) between members may result in a formal written warning or, in extreme or repeated circumstances, termination of club membership with no refunds on fees paid. These occurrences must be reported to a member of the committee or Club Welfare Officer.

2 CODE OF CONDUCT FOR GROUP LEADERS

1. Before you start running make yourself visible to the group and briefly explain the session that they are about to undertake.
2. Always ask whether anyone is new to the group or is feeling unwell or carrying an injury.
3. Ensure that everyone has proper running shoes and suitable clothing i.e. high-visibility tops during dark evenings (usually October - March).
4. Try to begin each session with a gentle warm-up of at least 5 minutes – warm-up plans are provided or at the very least encourage your group members to partake in this.
5. Know the route and set off at 6.30. Ideally gather groups at 6.25 to ensure a prompt start and return.
6. Use regular members of the group to set the pace and do not be afraid to slow down the group if it is too fast or identify the split in the group and designate a second leader for the faster/slower group.
7. Do not allow large groups. If there are more than 15 people then the group should be split into two separate groups. If there are more than 10 people nominate a second runner as an assistant group leader.
8. Respect the rights, dignity and worth of every member of the group and treat everyone equally.
9. Place the welfare and safety of the group above the development of performance.
10. Do not lead the group across private land or along busy or dangerous roads. Think of the whole group when crossing roads. Where possible follow the routes planned by the club captain.

11. Runs to be approximately 1 hour (maybe longer in summer months), people may have other commitments. If runners choose to add sections or change routes ensure they have informed someone.
12. Make sure that all activities are appropriate to the age, ability and experience of those taking part. Remember, on longer training runs you should be able to hold a conversation whilst running.
13. Try and avoid runners returning to the Club on their own. Always ask for someone to accompany a lone runner back to the Clubhouse.
14. Be particularly aware of slower runners or new runners to the group. If someone is slowing down considerably, suggest joining a slower group.
15. Do not always lead the group from the front. Be aware of the whole group and remember to look out for all runners from the front to the back.
16. Set regular re-group points so that everyone is clear on where to wait. Suggest runners off the front of the group run to a certain point and then loop back to re-join the group.
17. Encourage – motivate – gain respect – offer advice.
18. Encourage a warm-down and stretches at the end of every session.
19. Feedback to club captain/committee on routes and/or any concerns.

Failure to do so will be considered a breach of the Code of Conduct for committee members and may result in removal from the committee.
10. Committee members will make decisions on sanctions imposed on members in breach of the code of conduct, in line with the code of conduct document.
11. Any person(s) handling club monies should be invited onto the committee for the duration of that activity e.g. race secretary etc.

14. Committee members should record any complaints/issues in writing and raise them at a committee meeting. Where verbal complaints are made, committee members should encourage a written record of this.

4 EQUAL OPPORTUNITIES AND GRIEVANCE PROCEDURE

Birstall is an equal opportunities club and strives to make the experience for all members as enjoyable and productive as possible. In some cases, members may raise a concern or discuss an issue which requires further attention. Below is the correct procedure to follow in this instance.

1. Complaints against another club member should be made in writing to one of the Club Welfare Officers. It is then the committee's decision on an appropriate course of action for this grievance. Initially, this may be a verbal interaction, at which point the committee should make a written record of this.
2. If the complaint is about a member of the committee, then it should go directly to the Club Chairperson
3. If the complaint is against the Club Welfare Officer, it should go directly to the Club Chairperson.
4. Each case is different and may be treated slightly differently, however, the following may assist this procedure:

Sanctions - the committee reserve the right to modify the following at any time and without prior notice. The 3-stage system includes:

VERBAL WARNING → WRITTEN WARNING → TERMINATION OF MEMBERSHIP

Any stage can be skipped if deemed appropriate and agreed by the committee. Some cases may require more severe action than others. Any complaint made officially should be reviewed and decided upon accordingly.

Examples of inappropriate or unacceptable behaviour could include (please note that this list is non-exhaustive):

- Verbal or physical abuse of members or non-members.
- Failure to follow guidelines set out in the code of conduct.
- Lack of respect for own or others' property including theft or damage.

- Behaving in a way which could damage the club's reputation.
- Sharing or sending of indecent or inappropriate images/content.
- Persistent disregard for own or others' safety.
- Failure to report an incident or dangerous occurrence.
- Threatening or aggressive behaviour
- Deliberately causing offence or discomfort to other club users/members.
- Any other offence deemed to warrant a sanction by the committee.

All cases of grievance MUST be logged by the committee and a record should be available. As mentioned each case is individual and should be treated as such. The committee reserve the right to escalate the sanctions if the prior stage has had little or no impact.

The committee will endeavour to inform all interested parties of the outcome of any complaint or concern raised.

Appeals procedure

In some cases, the accused may wish to appeal against their sanction. This must be done formally, in writing, within 7 days of the sanction being imposed. This appeal must be received by the Club Chairperson or one of the Club/Lead Welfare Officers, formally and within the timeframe permitted.

In the case of an appeal, the accused should provide just cause as to why their sanction is unjust and this will then be reviewed by the committee. The committee will then decide on the validity of the argument and if any changes to the sanction need to be made.

CLUB STANDARDS

1. The club standards are designed to give everyone a goal to aim for. It acts as a motivational tool and members can track their own progression from this. Rather than thinking it is all about finishing in the top team counting runners, each individual can set their own targets.
2. To qualify for a standard, you must have achieved the standard time for the following:

3 Category A distances plus 1 Category B distance.

All times must be achieved at recognised athletic-affiliated events with accurately measured courses (no fun runs, cross country or off-road events). All times must be recorded during the calendar year (Jan-Dec). Awards cannot be backdated from previous race times achieved.

To qualify for Distinction Standard, you must have achieved a standard time for all 10 distances.

3. The award you get will depend on the times that you have achieved, for example, if you achieve all times within the Silver category, you will receive the Silver award. If you were to run 3 Silver standard times with the 4th time being bronze or below, you will only qualify for the Bronze award.

The Age Categories and all Standard times can be found on the club website, Information page.

If you change Age category during the season, your times will be based on the age you were on the day of the race.

4. Certificates will be awarded at the Club Presentation night.
5. To apply for your Club Standard, you will need to submit an application form, which can be found on the club website (Information Page). You will need to provide all qualifying times and the races you completed for the standard. This will need to be sent to the Club Captain, or Vice-Captain, to be reviewed and verified.

APPENDIX SEVEN
YOUNG ATHLETE'S POLICY

DOCUMENT 1 - Child Protection Policy 2022

Introduction

Birstall Running Club organises many events from time to time where children are allowed to participate with a parent/guardian or named adult. Junior members (aged 14-17) will be permitted to participate in club activities as long as:

1. Their parent/guardian is present and contactable.
2. The child meets the Performance and Distance criteria for their age
(as set out in Document 3 - **Rules of attendance for Junior members**)

The parent/guardian is fully responsible for their child during the activity and for assessing the child's ability to complete the distance, pace and/or effort required for the activity they are undertaking. This includes such things as their child's safety when crossing roads, making sure they have appropriate footwear and clothing (including hi-viz when required) and ensuring they are not participating if injured.

The parent/guardian can nominate a responsible adult to chaperone the junior, for example, in a different paced run group.

The parent/guardian/responsible adult must be willing to curtail their own activity if required to do so by the junior.

Aim of the Policy

Our aim is to create an environment in which the child and their parent(s), guardian, responsible adult, carer, closest relative; can feel confident that our running club is providing a safe and enjoyable setting for all participants in the sport of athletics. As a club, we can support and offer advice to every athlete, coach, helper, official and officer of the club in order to protect them from neglect, exploitation and abuse. All suspicions and potential allegations made by young athletes, or others, will be responded to and followed up appropriately in accordance with this policy and those laid out by UK Athletics Child Protection and Athlete Welfare guidelines and procedures. Further information on safeguarding children is available on the UK Athletics web page: <https://www.englandathletics.org/clubs-and-facilities/club-support-services/club-welfare/>

Key Principles

1. All people under the age of 18 years are defined as children for the purpose of this policy.
2. All children regardless of their gender, racial origin, culture, ability, religious belief and sexual orientation have the right to protection from abuse.
3. Any suspicions and potential allegations of abuse will be taken seriously and can be reported to any officer of the club, who through the club's welfare officer / Chair will refer the matter to UK Athletics who has responsibility for contacting the Social Services Department where the child lives. If the

incident happens out of office hours e.g. during an evening or weekend, then the club should inform the police immediately, then inform UK Athletics on the next working day. The Chair should be made aware of any safeguarding issues that are raised.

4. All coaches and run leaders (CiRF/LiRF) who come into active contact with children will be required to have a valid 'enhanced' Disclosure and Barring Service check.
5. Club coaches, parents and helpers will observe and follow the 'Code of Practice for people working in Athletics with children' wherever practicable.

Code of Practice for people working in Athletics with children

- Avoid when possible, situations when you and an individual child are alone.
 - Avoid physical contact. Teach techniques by demonstration.
 - Coaches and Run leaders (LiRF) are expected to hold appropriate qualifications recognised by UK Athletics. Otherwise they must work under the direct supervision of a qualified coach.
 - Adults should never over-criticise children or use language or actions which may cause them to lose self-esteem or confidence.
 - Coaches and adults should not take unrelated children to their (i.e. the coach or adults) home. Permission must be obtained from the child's parent or guardian for car journeys. The presence of a further person should be sought. It is sensible to seat any child in the rear of the car.
 - Confidentiality cannot be guaranteed in all conversations; so coaches and adults must not give children a promise or expectation of confidentiality.
6. Any person suspected of abusing a child should not be approached by another member of the Club concerning the abuse issue. Other Club officials should deal with matters if the person who would otherwise deal with the matter is compromised by a relationship or friendship with the person against whom the suspicion has emerged.
 7. There is no legal power to prevent photography or filming in a public space. Parental consent must be obtained before sharing images of children aged 18 years and under.
